- Internally lit by discrete spot lights or flouro battens
- Colour options

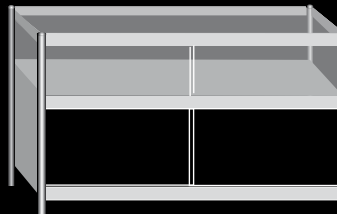

Ideal for:

- Retail stores/serious hobbyist
- Electronic devices
- Delicate merchandise
- Antiques/jewellery
- Models

Specifications:

The Glass Display Cases consist of tempered safety glass panels in anodised aluminium frames. Each product incorporates discrete fluorescent lighting or low voltage halogen spot lights to illuminate products to their best advantage. Some models come with a separate lockable black or grey colour melamine timber reserve compartment for extra stock. All outer glass panels including sliding doors are 4mm tempered safety glass and internal shelves 6mm standard glass.
